PROFESSIONAL SUMMARY

Frontend Developer and UI/UX Designer with hands-on experience building responsive, user-centered web interfaces using React.js, JavaScript, and Figma. Completed a frontend development internship delivering 4 live projects, and built multiple end-to-end applications spanning design and development. Strong foundation in component-based architecture, responsive design systems, and translating UI/UX concepts into functional, accessible interfaces. Seeking a Frontend Developer or UI/UX Designer role to apply a hybrid design-plus-development skillset to impactful products.

SKILLS

Languages & Markup: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: React.js, Bootstrap, Tailwind CSS

UI/UX & Design: Figma, Wireframing, Prototyping, Responsive Design, Design Systems

Tools & Platforms: Git, GitHub, VS Code, Vercel

Core Concepts: Component-Based Architecture, REST API Integration, Cross-Browser Compatibility, Accessibility (WCAG basics)

WORK EXPERIENCE

Frontend Development Intern — Internselite (Virtual)

Jun 2024 – Aug 2024

- Delivered 4 live frontend development projects independently, from requirement understanding through deployment-ready handoff.
- Built responsive, reusable UI components with HTML, CSS, and JavaScript, ensuring consistent rendering across screen sizes and browsers.
- Improved page layout and usability across projects by restructuring markup and refining visual hierarchy based on UX best practices.
- Collaborated using GitHub for version control, branching, and code reviews within a remote team workflow.

PROJECTS

Car Booking Platform

React.js, JavaScript, CSS

- Designed and developed a responsive car booking web application with dynamic search and booking forms.
- Implemented animated UI sections and interactive components to improve user engagement and visual polish.
- Structured the frontend with reusable React components, reducing duplicate code and easing future maintenance.

Thalassemia Awareness Platform

React.js, AI/ML Concepts

- Built a healthcare awareness web platform to educate users on Thalassemia detection, prevention, and treatment resources.
- Designed responsive dashboards and information-dense layouts that remain readable and accessible on mobile and desktop.
- Applied UI/UX principles to simplify complex medical information into a clear, navigable user journey.

Personal Portfolio Website

React.js, Tailwind CSS

- Designed and built a personal portfolio to showcase frontend and UI/UX project work, live at [laksh-portfolio-beryl.vercel.app](#).
- Optimized layout and assets for full mobile responsiveness and fast load times.
- Deployed via Vercel with a CI-style workflow connected to GitHub for continuous updates.

EDUCATION

B.Tech, Computer Science & Engineering

Sant Gajanan Maharaj College of Engineering, Gadhinglaj, Kolhapur

2022 – 2026

- CGPA: 7.67 / 10

HSC (XII), Science

JH Poddhar High School & Jr. College, Bhayander West, Mumbai

2022

- Percentage: 55.33%

SSC (X)

Father Joseph's English High School, Bhayander East, Mumbai

2020

- Percentage: 72%

Languages: English, Hindi, Marathi
